SOLE advises over 1,200 campus organizations. Services include registration of new and continuing organizations, programming assistance, organization development, fundraising approval and guidelines, funding proposal consultation, and advisement on rules and regulations. SOLE also approves the time, place, and manner of campus activities for registered organizations.

The Day O’SOLE is a leadership conference that is hosted by the Student Organization, Leadership and Engagement (SOLE) office at UCLA. This premiere event is hosted at UCLA and is expecting over 600 undergraduate student leaders representing over 1,000 student clubs and organizations to attend. This all-day event features professional development workshops focusing on organizational and leadership skills.
